

## **Reminder Email I Sent to All Candidates – Monday 10 February 2020**

Dear Candidate

**Please read the following for important information on your Admission Ticket, maps of the test centres, and photo identification that you need to bring:**

- Your HPAT – Ireland Admission Ticket with details about the location of your test centre and arrival time is available for download from your account (Please log in to your HPAT – Ireland account via this link: <http://registration.acer.edu.au/> NOTE: your **username is the email address** with which you created your account. If you do not remember your password, please click '[Reset my password](#)' and a new one will be emailed to you). Candidates should note that there may be more than one examination room at the venue. It is important to check your ticket carefully so that you know exactly where you should be.
- Please check your personal details carefully when you have viewed your Admission Ticket, and email the HPAT – Ireland Office to update this information **before Saturday 16 February** if there are any errors. It is important that your name as stated on the Admission Ticket matches the name on your identification document. Please note middle names are not required on your Admission Ticket even if they appear on your identification.
- Make sure you have your **PRINTED Admission Ticket** and appropriate **photo-bearing identification** to bring to the test (see more information below). **You will NOT be allowed to sit HPAT – Ireland if you do not have your PRINTED Admission Ticket AND appropriate photo identification with you on the test day.**
- You have to report to the test room at the reporting time stated on your Admission Ticket. It is not necessary to report earlier, but you should not arrive later than the reporting time. The test will start after check-in and announcements have been completed.
- The duration of the test is 2 ½ hours (UL candidates should allow an additional hour for the Written English component). However, when making transport arrangements you should allow up to 4 ½ hours (5 ½ for UL candidates) from the arrival time stated on your Admission Ticket to the end of the test, as candidates are not allowed to leave the test room before the test has finished.
- It is NOT possible to change test centre.

The photograph in your identification document must be recognisable as a likeness to you as you are on the day of the test. No other form of identification will be accepted.

If you do not possess a current passport, an EU/EEA National Identity Card, an Irish Public Services Card, or driver's licence you must obtain a certified letter of identification from your school or other educational institution. You are strongly advised to use this template to avoid any problems on the day:

If you do not have one of these forms of identification, please allow enough time to organise one before the test date as you will not be able to enter the test centre without an approved form of identification.
