

# Remote Proctored Test Booking – Friday 28 January 2022

## HPAT-Ireland 2022 Remote Proctored Test Bookings

Dear Candidate,

We have noticed you have registered for your HPAT-Ireland 2022 test but have not yet scheduled your test session through ProctorU.

Candidates are required to schedule their remote proctored test sitting themselves through ProctorU. Can you please ensure you follow the Step by step instructions on page 15 of the [HPAT-Ireland 2022 Information Booklet](#) which explains everything you need to do in order to schedule your remote proctored test session.

Please note that booking times are limited and on a first in, first served basis. If you leave it too long you may find that you have to sit at a time that is not your preferred day or time. If you do not schedule a test session with ProctorU you will be unable to sit your HPAT-Ireland 2022 test.

Regards
