EMAIL REMINDER #2 TO CANDIDATES

Wednesday 20 February 2013

Dear HPAT – Ireland Candidate

Please read the following for important information about on your and Admission Ticket and photo identification.

Please note that you will need to bring BOTH your Admission Ticket and an appropriate photo-bearing ID to the test centre on the test day in order to sit the test. You will not be permitted to sit the test if you do not have these documents.

Admission Tickets

The Admission Ticket can be printed in black and white, it is not necessary to print it in colour.

Your FIRST and LAST names on your Admission Ticket must match your names on the identification you will bring to the test centre. It is not necessary to have your middle name(s) included on the Admission Ticket.

If you have used the Irish spelling of your name on your HPAT – Ireland registration but your identification has the English spelling (or vice versa), please rest assured that the supervisors at the test centres will be able to confirm the translation of the two names.

Photo Identification

The only acceptable photo-bearing identification documents for the test are:

1. Current passport, or
2. Current driver’s licence (photo-bearing), or
3. Certified letter of identification from your school or workplace. This letter must be on official institution letterhead and state your name (as per your HPAT – Ireland registration), date of birth, and a passport photo glued to the letter with institution stamp overlapping, signature, printed name and title of the official verifying the identification, as well as your signature.

If you do not possess a current passport or driver’s licence, you must obtain a Certified Letter of Identification. You are strongly recommended to ask your school to use this template to avoid any problems on the test day. A sample of this letter can be found at: http://hpat-ireland.acer.edu.au/files/sample_ID_letter2013.pdf

NOTE: Student cards, Garda cards, and documents that have expired will NOT be accepted under any circumstances. Photocopies of identity documents are also not acceptable forms of ID.

If you do not present one of the three acceptable forms of ID listed above, or if the identification document you present does not bear an easily recognisable photograph of
you as you look on the test day, you will not be permitted to sit HPAT – Ireland and will be turned away from the test centre.

Regards
The HPAT – Ireland Team
ACER
